STUDENT RECEIVES CHEMISTRY FELLOWSHIP

Ronald Susott, University of Montana senior, son of Mr. and Mrs. A. F. Susott, 2215 27th St., Missoula, has received a National Defense Education Act Title IV Graduate Fellowship in Chemistry at the U of M. He will begin work on his doctorate when the fellowship goes into effect, September 1966.

Susott has been working for one year under the direction of R. K. Osterheld, professor of chemistry. The subject of his study is determining the phase diagram for the lead flouride - lead metaphosphate system.
